Sustainability Council

What is the Sustainability Council?

ULI Europe’s Sustainability Council brings together investors, occupiers, developers, public officials, and academics from across Europe to debate and explore best practices in sustainable development.

The council examines a wide range of issues from investigating new ways to measure the environmental performance or the social contribution made by individual buildings, through to the longer terms planning considerations of European cities to ensure they are both successful and sustainable.

Am I eligible to join?

To join a Product Council, you need to be a full member of ULI. If your membership is through a corporate package with your company, we are happy to check if you can be added to the company’s roster.

How do I join?

There is a short approval process, with approval by the chair. In the first instance please send a short bio or CV with your Council preference to Louisa Batts, Louisa.Batts@uli.org.

Costs

The annual fee for membership of a Product Council is €399.
