This open forum will provide insights into what is happening at the moment in this sector.</p> <p><b>Young Leaders Event</b>  <i>Lunch and Learn (TBC)</i></p>

He is a very engaging speaker and has agreed to come to Dublin to present his ideas and research behind this paper.</p> <p><b>Young Leaders Event</b>  <i>Loan and Portfolio Sales</i></p>
<b>June</b>	<p><b>Docklands – The SDZ “Going Live”</b>            The ABP hearing will be a key event in the calendar this year, with a start date for the SDZ unknown. This event will be a follow up to last year's discussion as the SDZ “goes live” and we hope to engage the City Manager Dick Gleeson to address a group on issues such as City Block Rollout Agreement.</p>
